Transcript for the Video: Inappropriate Practice to Facilitate Maximum Participation

In this video clip the teacher has the children lined up. She hands or bounces a ball to the first child in line. After the child gives the ball back to the teacher, the child returns to the back of the line. The other children are just standing in line waiting for their turn.

The dialogue is primarily in Spanish.

Teacher: okay, all right, okay, all right, okay, who’s next? Okay, go to the back of the line, okay, Ashley, good job.
